

JETBOARDKSA · Sub-brand 01

# Make your *own waves.*

Exclusive distributor of AWAKE — Sweden's most respected electric surfboard manufacturer. Built for guest experiences at luxury resorts, ultra-prime residences, and private waterfront developments across the Kingdom.

# Engineered for *performance.*

Powered by a 7.5 kW jet system with swappable batteries and hand-held Bluetooth speed control. Carbon-fibre construction. Hot-swappable batteries for continuous operation. Cloud-connected diagnostics and updates via the AWAKE App.
